

American Friends of Migdal Ohr Young Leadership Event

On Wednesday evening, October 19th, American Friends of Migdal Ohr's Young Leadership Committee, Chaired by Talia Dennis, hosted a Shmini Atzeret/Simchat Torah party at Wang Chen's Table Tennis Club on the Upper West Side of Manhattan. Approximately 175 people attended this annual AFMO Young Leadership event, bringing in over \$3,300 in registrations alone. Partygoers were able to mix and mingle on two levels of this unique and fun venue, partaking in snacks and drinks on the top floor and showing off their ping-pong skills on the bottom floor. Rachel Perten, AFMO's Resource Development Manager, greeted everyone individually and described the important work of Migdal Ohr to those that were previously unfamiliar with our organization. The feedback has thus far has been extremely positive and follow up has already begun.
