We have audited the accompanying financial statements of American Friends of Migdal Ohr, which comprise the statement of financial position as of December 31, 2014, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of American Friends of Migdal Ohr as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

***Other Matter - Restatement***

As more fully disclosed in Note 7 to the financial statements, opening net assets as of December 31, 2013 have been restated to properly reflect the classification of net assets and the carrying amount of pledges receivable. Our opinion is not modified with respect to this matter.

**AMERICAN FRIENDS OF MIGDAL OHR**

**NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2014**

**NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES**

The American Friends of Migdal Ohr ("AFMO") was incorporated as a not-for-profit corporation in New York State on July 31, 1986. Its sole purpose is to raise funds for Migdal Ohr institutions in Israel that provide education and social guidance to children from underprivileged and problem homes. AFMO's primary source of revenue is from contributions.

AFMO is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of accounting* - The financial statements are prepared on the accrual basis of accounting.

*Use of estimates* - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Cash and cash equivalents* - Cash and cash equivalents are comprised of highly liquid investments that mature in three months or less from date of acquisition.

*Pledges receivable* - Unconditional pledges receivable that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

*Allowance for doubtful accounts* - AFMO determines whether an allowance for uncollectibles should be provided for pledges receivable. Such estimates are based on management's assessment of the aged basis of the pledges, subsequent cash receipts, current economic conditions and historical information. Pledges are written off against the allowance for doubtful accounts when all reasonable collection efforts have been exhausted.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Fixed assets** - Fixed assets are recorded at cost. Donated assets are recorded at fair value at the date of the donation. Acquisitions of \$500 or more with an estimated useful life of more than one year are capitalized. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets. The estimated useful lives are as follows:

Office equipment	5 years
Computer software	5 years

**Deferred revenue** - Event income is recognized at the net realizable amount when earned. The portion of event charges collected in the current fiscal year pertaining to events that will take place in the next fiscal year is reflected as deferred revenue. Deferred revenue is generally earned within one year.

**Unrestricted net assets** - Unrestricted net assets include funds having no restriction as to use or purpose imposed by donors.

**Temporarily restricted net assets** - Temporarily restricted net assets are those funds whose use has been limited by donors to a specific time period or purpose.

**Contributions** - Unconditional private grants and contributions, including promises to give cash and other assets, are reported at fair value at the date the contribution is received. AFMO reports gifts of cash and other assets, received from foundations, corporations and the general public as restricted support if they are with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. When applicable, in-kind contributions are reported at fair value at the date the contribution is received.

**Functional allocation of expenses** - The costs of providing services have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**Rent expense** - AFMO leases office space and equipment. All leases are operating leases. All leases are reflected on the straight-line basis. Deferred rent is recorded where there are material differences between the fixed payment and the rent expense.
